NOTES:

1. **A member entitled to attend and vote at the Annual General Meeting (“AGM” or “the Meeting”) is entitled to appoint a proxy to attend and to vote on a poll instead of himself and the proxy need not be a member of the Company. The instrument appointing the proxy should, however, be deposited at the Registered Office of the Company not less than forty- eight hours before the commencement of the Meeting.**

A person can act as proxy on behalf of members not exceeding fifty and holding in the aggregate not more than ten percent of the total share capital of the Company. A member holding more than ten percent of the total share capital of the Company may appoint a single person as proxy. However, such person shall not act as a proxy for any other person or shareholder.

2. Corporate members intending to send their authorised representatives to attend the Meeting are requested to send to the Company a certified copy of the Board Resolution authorizing their representative to attend and vote on their behalf at the Meeting.
3. The Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 (“the Act”) is annexed hereto.
4. In case of joint holders attending the Meeting, only such joint holder who is higher in the order of names will be entitled to vote.
5. Members are requested to bring their duly completed Attendance Slip along with their copy of the Annual Report to the AGM.
6. As per Regulation 40 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (‘Listing Regulations’) as amended, securities of listed companies can be transferred only in dematerialised form with effect from April 1, 2019, except in case of request received for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, Members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members can contact the Company or its Registrar and Transfer Agents, M/s. Link Intime India Private Limited (‘Link Intime’) for the same.
7. SEBI has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to the Depository Participants with whom they maintain their demat accounts. Members holding shares in physical form are requested to submit their PAN to Link Intime.
8. Section 72 of the Companies Act, 2013 provides for Nomination by the shareholders of the Company in the prescribed form No. SH-13 which are available on the website of the Company ‘www.theswastiksafedeposit.in’. Shareholders are requested to avail this facility.
9. Members who have not registered their email addresses so far are requested to register their email address for receiving all communication including Annual Report, Notices, Circulars, etc. from the Company electronically.
10. The Register of Members and Transfer Books of the Company will remain close from Saturday, 7th September, 2019 to Friday, 13th September, 2019 (both days inclusive).
11. The final dividend for the financial year ended March 31, 2019, as recommended by the Board, if approved at the AGM, will be paid on or after Friday, 13th September, 2019, to the Members whose names appear in the Company’s Register of Members on close of business hours on Friday, 6th September, 2019. As regards shares held in electronic form, the dividend will be payable to the ‘beneficial owners’ of the shares whose names appear in the Statement of Beneficial Ownership furnished by the National Securities Depository Limited (‘NSDL’) and the Central Depository Services (India) Limited (‘CDSL’) as at the close of business hours on close of business hours on Friday, 6th September, 2019. The final dividend is Re. 1/- per equity share i.e. 10% on the face value of Rs. 10/- per share.
12. Route map giving directions to reach the venue of the AGM is given at the end of the notice.
13. **Directors seeking re-appointment at the AGM**

Ms. Nandini Piramal retires by rotation at the ensuing Annual General Meeting and is eligible for re-appointment.

Approval of the members is also sought for appointment of Mr. Chandrakant M. Khetan and Mr. Surendra Kabra for their second term as Independent Non-Executive Directors for five consecutive years up to March 31, 2024 and March 31, 2025 respectively.

The information to be provided for them under Secretarial Standard on General Meetings (SS 2) and Regulation 36(3) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 is provided as an Annexure to this Notice.

14. In terms of the applicable provisions of the Companies Act, 2013, the amount of dividend remaining unclaimed or unpaid for a period of seven years from the date of transfer to the unpaid dividend account is required to be transferred to the Investor Education and Protection Fund. Those members who have so far not encashed their dividend warrants for the below mentioned financial years, may claim or approach the Company for the payment thereof as the same will be transferred to the Investor Education and Protection Fund of the Central Government on the respective dates mentioned below. Intimation in this regard is being sent to the concerned shareholders periodically. Kindly note that after such dates, No claim shall lie against the company in any respect thereof.

Item No. 5 and 6

In line with the provisions of Sections 149, 152 and other applicable provisions of the Companies Act, 2013 including the Rules made thereunder ('the Act') and the erstwhile Listing Agreement, Mr. Chandrakant M Khetan and Mr. Surendra Kabra, Independent Directors of the Company were appointed at the Annual General Meeting of the Company held on 26th September, 2014 and 28th September, 2015 to hold office for five consecutive years for a term up to 31st March 31, 2019 and 31st March, 2020 respectively.

The Board of Directors, at its meeting held on 11th February, 2019 up on recommendation of Nomination and Remuneration Committee have appointed Mr. Chandrakant M Khetan as an Additional Independent Director of the Company for a second term of five consecutive years.

Sub-section (11) of Section 149 of the Act provides that Independent Directors shall not hold office for more than two consecutive terms. The Board of Directors of the Company and the Nomination and Remuneration Committee have evaluated the performances of Mr. Khetan and Mr. Kabra and on the basis of the said evaluations, it is now proposed, that they be appointed for a second term of five consecutive years, commencing, in case of Mr. Khetan from 1st April, 2019 up to 31st March, 2024 and in case of Mr. Kabra 1st April, 2020 up to 31st March, 2025.

They both are not disqualified from being appointed as Directors in terms of Section 164 of the Act and have given their respective consents to act as Directors.

The Company has also received declaration from them that they meet with the criteria of independence as prescribed both under sub-section (6) of Section 149 of the Act and under the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'). The Company has also received notices in writing from members, proposing their candidature for the office of Director of the Company. In the opinion of the Board, they fulfil the conditions for their reappointment as Independent Directors as specified in the Act and the Listing Regulations. They are independent of the management. Details of Mr. Khetan and Mr. Kabra as required to be provided pursuant to Regulation 36(3) of the Listing Regulations and SS – 2 (Secretarial Standards on General Meetings) are provided as an Annexure to this Notice.

Mr. Khetan will be attaining 75 years of age during his tenure. In line with the SEBI (Listing Obligations and Disclosure Requirements) (Amendment) Regulations, 2018, the appointment or continuation of directorship of Non-Executive Directors who are over 75 years of age must be approved by the Members by way of a Special Resolution.

As regards Mr. Kabra, he will not be attaining 75 years of age during the course of his second term. Nevertheless, a special resolution is proposed for him as well, as the same is also required under section 149(10) of the Act.

Save and except Mr. Khetan and Mr. Kabra, none of the other Directors / Key Managerial Personnel of the Company / their relatives are, in any way, concerned or interested, financially or otherwise, in the resolutions set out at Item No. 5 and 6 of the Notice.

The Board recommends the Special Resolutions set out at Item Nos. 5 and 6 of the Notice for approval by the shareholders.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF THE SWASTIK SAFE DEPOSIT AND INVESTMENTS LIMITED

Report on the Stand alone Ind AS Financial Statements

We have audited the accompanying standalone Ind AS financial statements of **THE SWASTIK SAFE DEPOSIT AND INVESTMENTS LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2019, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the state of affairs (financial position) of the Company as at 31st March, 2019, and its Profits (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of Sub-Section (11) of Section 143 of the Act, we give in "Annexure 1", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act.
- e) On the basis of the written representations received from the directors as on 31st March, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2019 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Amendment Rules, 2017, in our opinion and to the best of our information and according to the explanations given to us:
 - a) The Company has disclosed the impact of pending litigations on its financial position in its standalone Ind AS financial statements;
 - b) The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
 - c) There has been no delay in transferring the amounts, which were required to be transferred to the Investor Education and Protection Fund by the Company.

ANNEXURE '2'

TO THE INDEPENDENT AUDITOR'S REPORT

[Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditor's Report of even date to the members of **THE SWASTIK SAFE DEPOSIT AND INVESTMENTS LIMITED** on the standalone Ind AS financial statements for the year ended 31st March, 2019]

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **THE SWASTIK SAFE DEPOSIT AND INVESTMENTS LIMITED** ("the Company") as of March 31, 2019 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the essential components of internal control stated in the Guidance Note issued by ICAI.

NOTES TO FINANCIAL STATEMENTS for the Year ended March 31, 2019

1. GENERAL INFORMATION

The Swastik Safe Deposit and Investments Limited ('the Company') was incorporated on August 6, 1940 with its registered and operational office in Mumbai.

The Company was issued a registration certificate no. 13.00535 dated March 24, 1998, by the Reserve Bank of India ('RBI') under section 45 – IA of the RBI Act, 1934 to commence / carry on the business of non – banking financial institution without accepting public deposits.

The primary activities of the Company involve lending / investing.

2. SIGNIFICANT ACCOUNTING POLICIES

i) Basis of preparation

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) and the provisions of the Companies Act, 2013 ('the Act'). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter.

The Company's financial statements upto and for the year ended 31 March 2018 were prepared in accordance with the Generally Accepted Accounting Principles in India (IGAAP) under the historical cost convention as a going concern and on accrual basis, unless otherwise stated, and in accordance with the provisions of the Companies Act, 2013, the Accounting Standards specified under section 133 of the Companies Act, 2013 ("the Act") read with rule 7 of the Companies (Accounts) Rules 2014 (as amended), prudential norms for Income Recognition, assets classification and provisioning for Non-performing assets as well as contingency provision for Standard assets as prescribed by The Reserve Bank of India (RBI) for NBFCs, collectively referred as "Previous GAAP". Any application guidance/ clarifications/ directions issued by RBI or other regulators are implemented as and when they are issued/ applicable.

This is the Company's first financial statements prepared in accordance with Indian Accounting Standards (IndAS). The Company has applied IndAS 101, First-time Adoption of Indian Accounting Standards for transition from previous GAAP to IndAS.

Company's financial statements are presented in Indian Rupees (INR), which is also its functional currency.

ii) Basis of accounting

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non current classification of assets and liabilities.

The preparation of the financial statements in conformity with Ind AS requires the management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

iii) Financial instruments

Financial assets (including Lease rental discounting assets) and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Financial assets

Classification

Financial assets that meet the following conditions are subsequently measured at amortised cost:

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets that meet the following conditions are subsequently measured at fair value through other comprehensive income (FVTOCI):

- the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling the financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

By default, all other financial assets are subsequently measured at fair value through profit and loss (FVTPL).

Debt instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

Amortised cost

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

Effective interest rate method

Income is recognised on an effective interest rate basis for financial assets other than those financial assets classified as at FVTPL. The 'effective interest rate' is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument.

The calculation of the effective interest rate includes transaction costs and fees that are an integral part of the contract. Transaction costs include incremental costs that are directly attributable to the acquisition of financial asset.

If expectations regarding the cash flows on the financial asset are revised for reasons other than credit risk, the adjustment is recorded as a positive or negative adjustment to the carrying amount of the asset in the balance sheet with an increase or reduction in interest income. The adjustment is subsequently amortised through Interest income in the statement of profit and loss.

The Company calculates interest income by applying the EIR to the gross carrying amount of financial assets other than credit-impaired assets.

Financial assets at fair value through profit or loss (FVTPL)

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on remeasurement recognised in profit or loss. The net gain or loss recognised in profit or loss incorporates any dividend or interest earned on the financial asset. Dividend on financial assets at FVTPL is recognised when the Company's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably.

Changes in the fair value of financial assets at FVTPL are recognised in the statement of profit and loss.

Impairment of financial assets

Wholesale lending:

The Company applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost, loan commitments, trade receivables and other contractual rights to receive cash or other financial asset.

The expected credit loss is a product of exposure at default, probability of default and loss given default. The Company has devised an internal model to evaluate the probability of default and loss given default based on the parameters set out in Ind AS 109. The Company has a dedicated Asset Monitoring team which evaluates asset performance on a continued basis to flag of early warning signals. Probability of default have been adjusted with forward looking inputs from anticipated change in future macro-economic conditions to comply with IndAS 109. The forward looking macro-economic conditions

based adjustment is driven through a multi linear regression model which forecasts systemic gross non-performing assets under baseline future economic scenarios. Accordingly, the financial instruments are classified into Stage 1 – Standard Assets with zero to thirty days past due (DPD), Stage 2 – Significant Credit Deterioration or overdue between 31 to 90 days and Stage 3 – Default Assets with overdue for more than 90 days. The Company also takes into account the below qualitative parameters in determining the increase in credit risk for the financial assets:

- 1) Significant negative deviation in the business plan of the borrower
- 2) Internal rating downgrade for the borrower or the project
- 3) Current and expected financial performance of the borrower
- 4) Need for refinance of loan due to change in cash flow of the project
- 5) Significant decrease in the value of collateral
- 6) Change in market conditions and industry trends

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

Default Assets wherein the management does not expect any realistic prospect of recovery are written off to the Statement of Profit and Loss.

Derecognition of financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On derecognition of financial assets in entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable, is recognised in the statement of profit and loss.

Financial liabilities and equity instruments

Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity Instrument

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued are recognised at the proceeds received, net of direct issue costs.

Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest rate method or at FVTPL.

Financial liabilities are classified as at FVTPL when the financial liability is either contingent consideration recognised by the Company as an acquirer in a business combination to which Ind AS 103 applies or is held for trading or it is designated as at FVTPL.

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the amortised cost of a financial liability.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan

arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the Company does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between the Company and the lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability.

iv) Provisions and contingent liabilities

Provisions are recognised when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material). The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

v) Revenue recognition

Interest income from a financial asset (including Lease rental discounting assets) is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

Loan processing fees income is accounted for on effective interest basis. Arranger fees / Asset monitoring fees income is accounted for on accrual basis.

Dividend income from investments is recognised when the Company's right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of dividend income can be measured reliably).

vi) Exceptional items

When items of income and expense within profit or loss from ordinary activities are of such size, nature or incidence that their disclosure is relevant to explain the performance of the enterprise for the period, the nature and amount of such items is disclosed separately as Exceptional items.

vii) Taxes on income

Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the standalone financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively. Where current tax or deferred tax arises from the initial accounting for a business combination, the tax effect is included in the accounting for the business combination.

viii) Cash and cash equivalents

In the cash flow statement, cash and cash equivalents includes cash on hand, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

ix) Borrowing costs

Borrowing costs directly attributable to acquisition or construction of qualifying assets (i.e. those fixed assets which necessarily take a substantial period of time to get ready for their intended use) are capitalised. Other borrowing costs are recognised as an expense on effective interest rate basis.

x) Earnings per share

Basic earnings per share

The basic earnings per share is computed by dividing the net profit attributable to the equity shareholders by weighted average number of equity shares outstanding during the reporting year.

Diluted earnings per share

Number of equity shares used in computing diluted earnings per share comprises the weighted average number of shares considered for deriving basic earnings per share and also weighted average number of equity shares which would have been issued on the conversion of all dilutive potential shares. In computing diluted earnings per share only potential equity shares that are dilutive are included.

xi) Property, plant and equipment

All Property, Plant and Equipment are stated at cost of acquisition, less accumulated depreciation and accumulated impairment losses, if any. Direct costs are capitalised until the assets are ready for use and includes freight, duties, taxes and expenses incidental to acquisition and installation.

The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Subsequent expenditures related to an item of Property, Plant and Equipment are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance.

Losses arising from the retirement of, and gains or losses arising from disposal of Property, Plant and Equipment are recognised in the Statement of Profit and Loss.

Depreciation is provided on a pro-rata basis on the straight line method ('SLM') over the estimated useful lives of the assets specified in Schedule II of the Companies Act, 2013.

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

xii) Intangible Assets

Intangible assets are stated at acquisition cost, net of accumulated amortisation and accumulated impairment losses, if any.

xiii) Impairment of Assets

The Company assesses at each Balance Sheet date whether there is any indication that an asset may be impaired. For the purposes of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or group of assets, is considered as a cash generating unit. If any such indication exists, the Company estimates the recoverable amount of the asset. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Statement of Profit and Loss. If at the Balance Sheet date there is an indication that a previously assessed impairment loss no longer exists or may have decreased, the recoverable amount is reassessed and the asset is reflected at the recoverable amount.

- (d) The company offsets tax assets and liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority.

Significant management judgement is required in determining provision for income tax, deferred income tax assets and liabilities and recoverability of deferred income tax assets. The recoverability of deferred income tax assets is based on estimates of taxable income by each jurisdiction in which the relevant entity operates and the period over which deferred income tax assets will be recovered.

22 First-time adoption of Ind AS

As stated in Note 2, the financial statements for the year ended March 31, 2019 are the first annual financial statements prepared in accordance with Ind AS. These financial statements for the year ended March 31, 2019 are prepared in compliance with Ind AS. The adoption was carried out in accordance with Ind AS 101 using Balance sheet as at April 01, 2017 as the transition date. The transition was carried out from Indian GAAP, which was considered as the previous GAAP. All applicable Ind AS have been applied consistently and retrospectively, wherever, required.

In preparing these financial statements, the Company has availed itself of certain exemptions and exceptions as mentioned below in accordance with Ind AS 101. This note explains the principal adjustment made by the Company in restating its Indian GAAP financials statements, including the opening Balance sheet as at April 01, 2017, the financial statements for the years ended March 31, 2018 and March 31, 2019.

Exemptions applied

The company has elected to measure investments in subsidiaries, Joint Ventures and associates as recognised in its previous GAAP financial as deemed cost at the transition date.

Mandatory exception from retrospective application of Ind AS

33 Risk management

Risk management is an integral part of the Company's business strategy. The Risk management oversight structure includes Committees of the Board and Management Committees. Company's risk philosophy is to develop and maintain a healthy portfolio which is within its risk appetite and the regulatory framework. While the Company is exposed to various types of risks, the most important among them are liquidity risk, interest rate risk, credit risk, regulatory risk and fraud and operational risk. The measurement, monitoring and management of risks remain a key focus area for the Company.

The Company's risk management strategy is based on a clear understanding of various risks, disciplined risk assessment and measurement procedures and continuous monitoring. The policies and procedures established for this purpose are continuously benchmarked with market best practices.

The Risk Management Committee of the Board ("RMC") reviews compliance with risk policies, monitors risk tolerance limits, reviews and analyse risk exposure and provides oversight of risk across the organization. The RMC nurtures a healthy and independent risk management function to inculcate a strong risk management culture in the Company and broadly perceives the risk arising from (i) credit risk, (ii) liquidity risk, (iii) fraud risk and operational risk (iv) regulatory risk

33.1 Liquidity risk

Liquidity risk refers to insufficiency of funds to meet the financial obligations. Liquidity Risk Management implies maintenance of sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit lines to meet obligations when due.

The following tables detail the Company's remaining contractual maturity for its financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The contractual maturity is based on the earliest date on which the Company may be required to pay.

33.2 Credit risk

The Company is exposed to credit risk through its lending activity. Credit risk refers to the risk that counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company has adopted a policy of dealing with creditworthy counterparties and obtaining sufficient collateral, where appropriate, as a means of mitigating the risk of financial loss from defaults.

The Company has developed proprietary internal rating models to evaluate risk return trade-off for the loans and investments made by the Company. The output of traditional credit rating model is an estimate of probability of default. These models are different from the traditional credit rating models as they integrate both probability of default and loss given default into a single model.

Credit risk management

Credit risk management is achieved by considering various factors like :

- Cash flow at risk – This is an assessment of the standalone project or business from which interest servicing and principal repayment is expected to be done.
- Security cover – This is an assessment of the value of the security under stress scenario which is further adjusted for factors like liquidity, enforceability, transparency in valuation etc. of the collateral.
- Promoter strength – This is an assessment of the promoter from financial, management and performance perspective.
- Exit – This is an assessment of the liquidity of the loan or investment.

The output from each of the analysis is converted to a risk weight equivalent. Each of the four components of the risk analysis are assigned a specific weight which differ based on type of investment. The risk weight is then converted into capital requirement. The required capital and the return is combined to create a metric which is used for deal assessment.

Based on the above assessment the risk categorises the deals in to the below Risk Grades

Risk Grading	Description
I	Extremely good loan
II	Good loan
III	Moderate loan
IV	Weak loan
V	Extremely weak loan

The credit risk on liquid funds and other financial instruments is limited because the counterparties are banks with high credit-ratings assigned credit-rating agencies or mutual funds.

Provision for expected credit loss

The Company has assessed the credit risk associated with its financial assets for provision of Expected credit loss (ECL) at the reporting dates. For different product categories (Real estate, Senior debt, Lease rental discounting, Loan against shares, Mezzanine etc.), the Company has developed scorecard that makes use of various reasonable supportive forward looking parameters which are both qualitative as well as quantitative in nature. These scorecards helps in determining the change in credit risk and the probability of default. Based on the result yielded by the above assessment the financial assets are classified into (1) Standard (Performing) asset, (2) Significant credit deteriorated (Under-Performing) asset (3) Default (Non-Performing) asset (Credit impaired).

For the purpose of expected credit loss analysis the Company defines default as any asset with more than 90 days overdues. This is also as per the rebuttable presumption provided by the standard.

The Company provides for expected credit loss based on the following:

Category - Description	Stage	Basis for recognition of Expected credit loss
Assets for which credit risk has not significantly increased from initial recognition	Stage 1	12 month ECL
Assets for which credit risk has increased significantly but not credit impaired	Stage 2	Life time ECL
