INDEPENDENT AUDITOR'S REPORT

To,

The Members of **PIRAMAL CORPORATE SERVICES PRIVATE LIMITED**

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **PIRAMAL CORPORATE SERVICES PRIVATE LIMITED** ("the Company"), which comprise the Standalone Balance Sheet as at March 31, 2021, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity, the Standalone Statement of Cash Flows for the year then ended and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information ("the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, the profit, other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibility for the Audit of the Standalone Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

M L BHUWANIA AND CO LLP

CHARTERED ACCOUNTANTS

Key Audit Matter	Auditor's Response
A. Impairment assessment of goodwill	
<p>Refer to Note No. 4 to the standalone financial statements.</p> <p>The company has Goodwill of Rs. 1,63,080 lakhs on the standalone balance sheet that arose mainly from past merger.</p> <p>Goodwill has to be assessed for impairment on a yearly basis by management using a discounted cash flow model to individually determine the value in use of goodwill balances. This requires the use of a number of key assumptions and judgments, including the estimated future cash flows, long-term growth rates, profitability levels and discount rates applied as well as the determination of the cash generating units ("CGUs") for the goodwill impairment testing. The company used Income Approach and Relief from Royalty Method for current value analysis of the Goodwill.</p> <p>The goodwill balance is significant compared to total assets and there are a number of judgments involved in performing the impairment test. That is why the same is considered as Key Audit Matter.</p>	<p>Our audit procedures included discussion with the management. We understood, evaluated and validated management's key controls over the impairment assessment process:</p> <ul style="list-style-type: none">• We reviewed impairment testing working provided by the management. We also reviewed the calculations and basis of calculations.• We obtained management's future cash flow forecasts, tested the mathematical accuracy of the underlying calculations. We also compared historical actual results to those budgeted to assess the quality of management's forecasts.• We gained an understanding and assessed the reasonableness of business plans by comparing them to prior year's assumptions.• We also assessed the reasonableness of key assumptions used in the calculations, comprising sales growth rates, gross profit margin, net profit margin, perpetual growth rate and discount rates. When assessing these key assumptions, we discussed them with management to understand and evaluate management's basis for determining the assumptions.• We obtained and tested management's sensitivity analysis around the key assumptions, to ascertain that selected adverse changes to key assumptions, both individually and in aggregate, would not cause the carrying amount of goodwill to exceed the recoverable amount.

M L BHUWANIA AND CO LLP

CHARTERED ACCOUNTANTS

	<ul style="list-style-type: none">We evaluated management's assessment on whether any events or change in circumstances indicate there may be a change in the expected useful lives of intangible assets.
--	---

Other Information

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's Annual Report, but does not include the standalone financial statements and our Auditors' Report thereon. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of Act with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including Accounting Standards specified under Section 133 of the Act ("Ind AS"). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The management and Board of Directors are responsible for overseeing the Company's financial reporting process.

M L BHUWANIA AND CO LLP

CHARTERED ACCOUNTANTS

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

M L BHUWANIA AND CO LLP

CHARTERED ACCOUNTANTS

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, based on our audit we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid standalone financial statements have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss including Other Comprehensive Income, Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164(2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B".
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 as amended, in our opinion and to the best of our information and according to the explanations given to us:

M L BHUWANIA AND CO LLP

CHARTERED ACCOUNTANTS

- i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements – Refer Note No. 35 to the standalone financial statements;
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

Referred to in paragraph 1 of 'Report on Other Legal and Regulatory Requirements' in the Independent Auditor's Report on the standalone financial statements of the company for the year ended March 31, 2021, we report the following:

- i. (a) The Company is generally maintaining proper records showing full particulars including quantitative details and situation of fixed assets.
(b) The fixed assets are physically verified by the management in accordance with a regular programme of verification which, in our opinion, provides for physical verification of all the fixed assets at reasonable intervals. Pursuant to the program, certain fixed assets were physically verified during the year and no material discrepancies were noticed on such verification.
(c) According to the information and explanations provided to us, the company does not own any immovable property. Accordingly, clause 3 (i)(c) of the Order is not applicable to the company.
- ii. According to the information and explanations provided to us, the Company's nature of operations does not require it to hold inventories. Consequently, clause 3(ii) of the order is not applicable.
- iii. (a) During the year, the Company has granted loan to companies covered in the register maintained under Section 189 of the Companies Act, 2013. The rate of interest and other terms and conditions are *prima-facie* not prejudicial to the interest of the Company.
(b) There are no stipulations with respect to the repayment of the loan and the interest thereon wherever applicable.
(c) The Company does not have any principal and interest amount overdue for more than 90 days with respect to the loans granted to companies covered in the register maintained under Section 189 of the Companies Act, 2013 as at 31st, March 2021.
- iv. In our opinion and according to information and explanations provided to us the Company has complied with provisions of section 186 of Companies Act, 2013 in respect of loan given and investment made and section 185 of Companies Act, 2013 is not applicable as there were no loans, securities and guarantees given during the year.
- v. According to the information and explanations provided to us, the Company has not accepted any deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and the rules framed there under to the extent notified, and therefore clause 3(v) of the order is not applicable.
- vi. The Central Government has not prescribed maintenance of cost records under sub section (1) of section 148 of the Companies Act, 2013, for any of the products of the company.
- vii. (a) According to the information and explanations provided to us and on the basis of our examination of the records, the Company is generally regular in depositing with appropriate authorities undisputed statutory dues including provident fund, employees' state insurance, income tax, sales tax, service tax, custom duty, excise duty, value added tax, cess, goods and services tax and any other material statutory dues applicable to it. According to the

M L BHUWANIA AND CO LLP

CHARTERED ACCOUNTANTS

information and explanations given to us, no undisputed arrears of statutory dues were outstanding as at March 31, 2021 for a period of more than six months from the date they became payable.

(b) According to the information and explanations given to us and on the basis of our examination of the records, there are no dues of custom duty, excise duty, value added tax, cess and goods and services tax, which have not been deposited on account of any dispute. The disputed amounts that have not been deposited in respect of service tax, income tax and Maharashtra Value Added Tax are as under:

Name of the Statute	Nature of the dues	Financial Year to which it relates	Forum where the dispute is pending	Amounts (Rs. in lakhs)
Income Tax Act, 1961	Income Tax	2010-11	Commissioner of Income Tax (Appeals)	41.66
Maharashtra Value Added Tax Act, 2002	Maharashtra Value Added Tax	2014-15	Joint Commissioner of Sales Tax (Appeals)	183.51
Maharashtra Value Added Tax Act, 2002	Maharashtra Value Added Tax	2015-16	Joint Commissioner of Sales Tax (Appeals)	205.53
The Finance Act, 1994	Service Tax	2010-11	Office of the Commissioner of CGST & Central Excise (Appeals)	3,923.98

- viii. In our opinion and according to information and explanations provided to us, the Company has not taken any loans or borrowings from government, financial institutions, bank, and has not issued debentures during the year.
- ix. In our opinion and according to information and explanations provided to us, the Company did not raise any money by way of initial public offer or further public offer (including debt instruments) and through term loans during the year. Accordingly, clause 3(ix) of the order is not applicable to the Company.
- x. To the best of our knowledge and according to the information and explanations provided to us, no fraud by the Company and no fraud on the Company by its officers or employees has been noticed or reported during the year.
- xi. The provisions of Sec 197 read with Schedule V to the Companies Act, 2013 is not applicable to the private Company. Accordingly, clause 3 (xi) of the Order is not applicable to the Company
- xii. According to the information and explanations provided to us, the nature of the activities of the Company does not attract any special statute applicable to Nidhi Company. Accordingly, clause 3(xii) of the order is not applicable to the company.

M L BHUWANIA AND CO LLP

CHARTERED ACCOUNTANTS

- xiii. According to the information and explanations provided to us, and based on our examination of the records of the Company, transactions with the related parties are in compliance with Section 177 and Section 188 of the Act, where applicable, and details of such transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- xiv. According to the information and explanations provided to us, and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3(xiv) of the order is not applicable to the Company.
- xv. According to the information and explanations given to us, and based on our examination of the records of the Company, the Company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, clause 3(xv) of the Order is not applicable to the Company.
- xvi. According to information and explanations provided to us, the Company is not required to be registered under Sec 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi) of the Order is not applicable to the Company.

CHARTERED ACCOUNTANTS

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Referred to in paragraph 2(f) of 'Report on Other Legal and Regulatory Requirements' in the Independent Auditor's Report on the standalone financial statements of the company for the year ended March 31, 2021.

Opinion

We have audited the internal financial controls over financial reporting of **PIRAMAL CORPORATE SERVICES PRIVATE LIMITED** ("the Company") as of March 31, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In our opinion, to the best of our knowledge and according to the information and explanations provided to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management's Responsibility for Internal Financial Controls

The Company's management and Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

M L BHUWANIA AND CO LLP

CHARTERED ACCOUNTANTS

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Piramal Corporate Services Private Limited

Notes to the financial statements for the year ended 31 March 2021

1 Company overview

Piramal Corporate Services Private Limited /PCSPL ("Company") formerly known as Nicholas Piramal Pharma Private Limited. Corporate Identification Number of the Company is U74110MH1989PTC051127. The Company was incorporated on 27 March 1989. The Company is primarily engaged in business of providing Royalty and Corporate Services and also provides comprehensive financing solutions.

2.1 Significant Accounting Policies

2.2 Basis of preparation

a) Statement of compliance

The standalone financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of Companies Act, 2013, (the 'Act') and other relevant provisions of the Act.

b) Functional and presentation currency

These standalone financial statements are presented in Indian Rupees (INR), which is also the Company's functional currency. All amounts have been rounded-off to the nearest lakhs, unless otherwise indicated.

c) Basis of measurement

The Ind AS financial statements have been prepared on the historical cost basis except for the following items:

Items	Measurement basis
Certain financial assets and financial liabilities	Fair value
Net defined benefit (asset)/liability	Fair value of plan assets less present value of defined benefit obligations

d) Use of estimates and judgments

The preparation of these standalone financial statements in conformity with the recognition and measurement principles of Ind AS requires the management of the Company to make estimates and judgments that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expense for the periods presented.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

Impairment of investments

The Company reviews its carrying value of investments carried at amortised cost / deemed cost annually, or more frequently when there is indication for impairment. If the recoverable amount is less than it is carrying amount, the impairment loss is accounted for.

Useful lives of property, plant and equipment

The Company reviews the useful life of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

Piramal Corporate Services Private Limited

Provisions and contingent liabilities

A provision is recognised when the Company has a present obligation because of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Contingent liabilities are not recognized in the financial statements. Contingent assets are neither recognised nor disclosed in the financial statements.

Fair value measurement of financial instruments

When the fair value of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

Classification of investment in subsidiaries, joint venture and associates

Identification of whether the Company has significant influence, joint control or control over an investee based on the relevant agreements and regulations. The Company also evaluates its control on its subsidiaries, associates and joint ventures based on De-facto control.

Recognition of Deferred Tax assets/liabilities

Company recognizes deferred tax assets/ liabilities based on temporary differences between taxable profits and book profits. Refer note 22

Determination of Employee benefits

The company pays fixed contributions into a separate entity for post employment benefit plan. The company uses actuarial valuation reports for such contribution plans and the details of assumptions are given in note 38

e) Measurement of fair values

A number of Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. The Company has establish policies and procedure with respect to measurement of fair values. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, mutual funds and forward contracts that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration.

Piramal Corporate Services Private Limited

2.3 Foreign currency

Foreign currency transactions

Income and expenses in foreign currencies are recorded at exchange rates prevailing on the date of the transaction. Foreign currency denominated monetary assets and liabilities are translated at the exchange rate prevailing on the balance sheet date and exchange gains and losses arising on settlement and restatement are recognised in the statement of profit and loss.

Non-monetary assets and liabilities that are measured in terms of historical cost in foreign currencies are not retranslated.

2.4 Financial instruments

i. Recognition and initial measurement

Trade receivables and debt securities issued are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument.

A financial asset or financial liability is initially measured at fair value plus / minus, for an item not at fair value through profit and loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

ii. Classification and subsequent measurement

a. Financial assets

On initial recognition, a financial asset is classified as measured at

- amortised cost;
- FVOCI – debt investment;
- FVOCI – equity investment; or
- FVTPL

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A debt investment is measured at FVOCI if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition of an equity investment that is not held for trading, the Company may irrevocably elect to present subsequent changes in the investment's fair value in OCI (designated as FVOCI – equity investment). This election is made on an investment-by-investment basis.

Piramal Corporate Services Private Limited

All financial assets not classified as measured at amortised cost or FVOCI as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Financial assets: Subsequent measurement and gains and losses

Financial assets at FVTPL	These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in profit or loss.
Financial assets at amortised cost	These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss. Any gain or loss on derecognition is recognised in profit or loss.
Debt investments at FVOCI	These assets are subsequently measured at fair value. Interest income under the effective interest method, foreign exchange gains and losses and impairment are recognised in profit or loss. Other net gains and losses are recognised in OCI. On derecognition, gains and losses accumulated in OCI are reclassified to profit or loss.
Equity investments at FVOCI	These assets are subsequently measured at fair value. Dividends are recognised as income in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI and are not reclassified to profit or loss.

b. Financial liabilities : Classification, subsequent measurement and gains and losses

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held- for- trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit or loss. Any gain or loss on derecognition is also recognised in profit or loss.

iii. Derecognition

Financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Piramal Corporate Services Private Limited

Financial liabilities

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled or expire.

The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in profit or loss.

iv. *Offsetting*

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

2.5 Investment in subsidiaries, associates and joint ventures

Investments representing equity interest in subsidiaries, associates and joint ventures are carried at cost less any provision for impairment.

Investments are reviewed for impairment if events or changes in circumstances indicate that the carrying amount may not be recoverable.

2.6 Property, plant and equipment and intangible assets

i. *Recognition and measurement*

Items of property, plant and equipment and intangible assets are measured at cost, less accumulated depreciation and accumulated impairment losses, if any.

Cost of an item of property, plant and equipment and intangible asset comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property plant and equipment.

ii. *Subsequent expenditure*

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

iii. *Depreciation and amortisation*

i. Depreciation on property, plant and equipment is provided on straight line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except mobile phones where useful life has taken 2 years

ii. Goodwill on merger is included in intangible assets. Goodwill is not amortised but it is tested for impairment annually, or more frequently if events or changes in circumstances indicate that it might be impaired, and is carried at cost less accumulated impairment losses.

iii. Freehold improvements are depreciated over the lease period or useful life whichever is lower.

Piramal Corporate Services Private Limited

2.7 Impairment

A. Impairment of financial instruments

The Company recognises loss allowances for expected credit losses on:

- i. Financial assets measured at amortised cost; and
- ii. Financial assets measured at FVOCI- debt investments.

At each reporting date, the Company assesses whether financial assets carried at amortised cost and debt securities at FVOCI are credit- impaired. A financial asset is 'credit- impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

Evidence that a financial asset is credit- impaired includes the following observable data:

- i. significant financial difficulty of the borrower or issuer;
- ii. a breach of contract such as a default or being past due for 90 days or more;
- iii. the restructuring of a loan or advance by the Company on terms that the Company would not consider otherwise;
- iv. it is probable that the borrower will enter bankruptcy or other financial reorganisation; or
- v. the disappearance of an active market for a security because of financial difficulties.

The Company measures loss allowances at an amount equal to lifetime expected credit losses, except for the following, which are measured as 12 month expected credit losses:

- i. debt securities that are determined to have low credit risk at the reporting date; and
- ii. other debt securities and bank balances for which credit risk (i.e. the risk of default occurring over the expected life of the financial instrument) has not increased significantly since initial recognition.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit losses, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Company's historical experience and informed credit assessment and including forward- looking information.

B. Impairment of non-financial assets

The Company's non-financial assets, other than deferred tax assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated. An asset's recoverable amount is the higher of an asset's fair value less costs of the disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. When the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

The recoverable amount of an individual asset is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

An impairment loss is recognised if the carrying amount of an asset exceeds its estimated recoverable amount. Impairment losses are recognised in the statement of profit and loss.

Piramal Corporate Services Private Limited

In respect of assets for which impairment loss has been recognised in prior periods, the company reviews at each reporting date whether there is any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is recognized in the statement of Profit or Loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as an increase in revaluation.

2.8 Revenue recognition

- i. Dividend income is recognised when the right to receive dividend is established
- ii. Interest income is recognised using the Effective Interest Rate method.
- iii. Revenue comprises of revenue from providing Royalty and Corporate Services. Revenue is recognised over a period of time, as and when the performance obligation is satisfied with an enforceable right to payment for performance completed to date.

2.9 Employee benefits

Short-term employee benefits

Short-term employee benefit are compensated absence which is post employment benefit measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

Defined contribution plans:

Contribution payable to the provident and superannuation fund, which is a defined contribution scheme, is charged to the Statement of Profit and Loss in the period in which they occur.

Defined benefit plans

Gratuity is post employment benefit and is in the nature of Defined Benefit Plan. The Liability recognized in the balance sheet is the present value of defined benefit obligation at the balance sheet date together with the adjustments for unrecognized actuarial gain or losses and the past service costs.

The calculation of defined benefit obligation is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Company, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan ('the asset ceiling'). In order to calculate the present value of economic benefits, consideration is given to any minimum funding requirements.

Remeasurements of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised in Other Comprehensive Income (OCI). The Company determines the net interest expense (income) on the net defined benefit liability (asset) for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability (asset), taking into account any changes in the net defined benefit liability (asset) during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognised in the statement of profit or loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service ('past service cost' or 'past service gain') or the gain or loss on curtailment is recognised immediately in the statement profit or loss. The Company recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

Piramal Corporate Services Private Limited

2.10 Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

2.11 Provisions, Contingent Liabilities and Contingent Assets

The Company recognises a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for contingent liability is made when there is possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect current best estimates.

Contingent Assets are neither recognised nor disclosed.

2.12 Leases

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate. The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease. The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

2.13 Income tax

Income tax comprises current and deferred tax. It is recognised in profit or loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income.

i. Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Piramal Corporate Services Private Limited

ii. *Minimum Alternate Tax (MAT)*

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustments to future economic benefits in the form of adjustments to future income tax liability, is considered as an asset if there is convincing evidence that the company will pay normal income tax. Accordingly, MAT is recognised as an asset in the balance sheet when it is probable that future economic benefits associated with it will flow to the company.

iii. *Deferred tax*

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits.

Deferred tax is not recognised for:

— temporary differences arising on the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss at the time of the transaction;

— temporary differences related to investments in subsidiaries, associates and joint arrangements to the extent that the Company is able to control the timing of the reversal of the temporary differences and it is probable that they will not reverse in the foreseeable future; and

Deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which they can be used. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of a history of recent losses, the Company recognises a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realised. Deferred tax assets – unrecognised or recognised, are reviewed at each reporting date and are recognised/ reduced to the extent that it is probable/ no longer probable respectively that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

2.14 **Borrowing cost**

Borrowing costs that are attributable to the acquisition, construction or production of qualifying assets are treated as direct cost and are considered as part of cost of such assets. A qualifying asset is an asset that necessarily requires a substantial period to get ready for its intended use or sale. All other borrowing costs are recognised as an expense in the period in which they are incurred. The capitalisation of borrowing cost is suspended when the activities necessary to prepare the qualifying asset are deferred / interrupted for significant period of time.

2.15 **Earnings per share (EPS)**

Basic EPS is computed using the weighted average number of equity shares outstanding during the period. Diluted EPS is computed using the weighted average number of equity and dilutive equity equivalent shares outstanding during the period except where the results would be anti-dilutive.

Piramal Corporate Services Private Limited

2.16 Exceptional items

On certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the company is such that its disclosure improves the understanding of the performance of the company. Such income or expense is classified as an exceptional item and accordingly, are disclosed in the notes accompanying to the Ind AS financial statements.

2.17 Dividend

Final dividend on shares is recorded as a liability on the date of approval by the shareholders and interim dividends are recorded as a liability on the date of declaration by the Company's Board of Directors.

Employer's contribution to Provident fund and pension scheme	58.65	71.54
Employer's contribution to super annuation fund	1.00	1.03
	59.65	72.57

Piramal Corporate Services Private Limited

Notes to the financial statements (continued)
for the year ended 31 March 2021

38 Employee benefits (Continued)

B. Defined Benefit plan

(i) Gratuity

The Company has defined benefit plans for Gratuity to eligible employees. Valuation in respect of gratuity has been carried out by an independent actuary, as at Balance sheet date. The Plan Assets are administered by Kotak Life Insurance as per Investment Pattern stipulated for Pension and Group Schemes Fund by Insurance Regulatory and Development Authority regulations.

The following tables set out the funded status of the gratuity plans and the amounts recognised in the Company's financial statements :

Particulars	31 March 2021	31 March 2020
Reconciliation of Opening and Closing Balances of defined benefit obligation		
Benefit obligations at the beginning	427.98	394.85
Current service cost	36.35	35.79
Past service cost	-	-
Interest cost	29.49	30.76
Benefits paid	(15.91)	(66.50)
Actuarial (Gain)/Loss on Obligation- due to change in Demographic assumptions	-	(11.24)
Actuarial (Gain)/Loss on Obligation- due to change in Financial assumptions	1.47	(1.69)
Net actuarial loss / (gain) recognised	(75.18)	46.02
Benefit obligations at the end	404.20	427.98
Reconciliation of Opening and Closing Balances of the Fair value of plan assets		
Fair value of plan assets at the beginning	430.90	444.71
Interest Income	29.69	34.64
Expected return on plan assets excluding interest income	0.87	17.83
Contributions by the employer	0.22	0.22
Benefit paid	(15.91)	(66.50)
Plan assets at the end of the Year	445.78	430.90
Reconciliation of fair value of assets and obligation		
Fair value of plan assets as at the end of the year	445.78	430.90
Present value of obligation as at the end of the year	404.20	427.98
(Liability) / asset recognized in balance sheet	(41.58)	(2.93)
Current	(41.58)	(2.93)
Non-current	-	-
Net Interest Cost		
Interest Cost	27.49	29.49
(Interest Income)	(30.31)	(29.69)
Net Interest Cost for Next Year	(2.83)	(0.20)
Expense recognised in profit or loss		
Current service cost	36.35	35.79
Interest cost	(0.20)	(3.88)
	36.15	31.90
Remeasurements recognised in other comprehensive income		
Actuarial (Gain)/Loss on Obligation for the period	(73.71)	33.09
Return on plan assets excluding amounts included in interest income	(0.87)	(17.83)
	(74.58)	15.26

The expected rate of return on assets is based on the expectation of the average long term rate of return on investment of the fund, during the estimated term of obligation.

The obligations are measured at the present value of estimated future cash flows by using a discount rate that is determined with reference to the market yields at the Balance Sheet date on Government Bonds which is consistent with the estimated terms of the obligation.

Piramal Corporate Services Private Limited

Notes to the financial statements (continued)

for the year ended 31 March 2021

38 Employee benefits (Continued)

Balance Sheet Reconciliation

Particulars	31 March 2021	31 March 2020
Opening Net Liability	(2.93)	(49.87)
Expenses Recognized in Statement of Profit or Loss	36.15	31.90
Expenses Recognized in OCI	(74.58)	15.26
(Employer's Contribution)	(0.22)	(0.22)
Net Liability/(Asset) Recognized in the Balance Sheet	(41.58)	(2.93)

The estimates of future salary increases, considered in actuarial valuation, take into account inflation, seniority, promotion and other relevant factors, such as supply and demand and the employment market.

Particulars	31 March 2021	31 March 2020
Actuarial assumptions		
[A] Financial assumptions		
Discount Rate (per annum)	6.80%	6.89%
Expected rate of return on plan assets	6.80%	6.89%
Salary growth rate	10.00%	10.00%
[B] Demographic assumptions		
Rate of Employee Turnover	1.00%	1.00%
Withdrawal rates	3.00%	3.00%
Mortality	Indian Assured Lives Mortality (2006-08)	Indian Assured Lives Mortality (2006-08)
Expected average remaining working lives of employees (years)	N.A	N.A

Sensitivity analysis

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions holding other assumptions constant, would have affected the defined benefit obligation / asset by the amount shown below:

Particulars	31 March 2021		31 March 2020	
	Increase	Decrease	Increase	Decrease
Discount rate (0.5% movement)	(7.97)	8.49	(11.47)	12.22
Salary growth rate (0.5% movement)	8.20	(7.78)	11.81	(11.21)
Attrition rate (0.50% movement)	(1.61)	1.70	(2.36)	2.50

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated. Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the Balance Sheet.

Piramal Corporate Services Private Limited

Notes to the financial statements (continued)

for the year ended 31 March 2021

(ii) Other long term employee benefits

Leave benefits

The Company has defined benefit plans for leave encashment and compensated absences to eligible employees. Valuation in respect of leave encashment and compensated absences have been carried out by an independent actuary, as at Balance sheet date.

Amount of Rs. Nil (31 March 2020: Rs. 7,15,945) towards leave benefits is recognised as an expense and included in "Employee benefits expense" in the Statement of Profit and Loss.

Particulars	31 March 2021	31 March 2020
Actuarial assumptions		
[A] Financial assumptions		
Discount Rate (per annum)	6.80%	6.89%
Expected rate of return on plan assets		
Salary growth rate	10.00%	10.00%
[B] Demographic assumptions		
Withdrawal rates	3.00%	3.00%
Mortality	Indian Assured Lives Mortality (2006-08)	Indian Assured Lives Mortality (2006-08)

40 Fair Value Measurements (Continued)

B. Measurement of fair values

Types of inputs for determining fair value are as under:

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3 : These instruments are valued based on significant unobservable inputs whereby future cash flows are discounted using appropriate discount rate.

Transfers between Levels 1 and 2

There have been no transfers between Level 1 and Level 2 during the reporting periods

Level 3 fair values

Transfer out of Level 3

Reconciliation of Level 3 fair value measurement is as follows:

Particulars	Amount
Balance as on March 31, 2019	1,276.05
Change in the value	(1,044.41)
Balance as on March 31, 2020	231.63
Change in the value	-
Balance as on March 31, 2021	231.63

C. Valuation processes

The carrying amounts of trade receivables, trade payables, capital creditors and cash and cash equivalents are considered to be the same as their fair values, due to their short-term nature.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

41 Financial Risk Management

The Company has in place a well-defined risk management policy. The management regularly reviews the risk and take appropriate steps to mitigate the risk. The Company has a robust Business Risk Management (BRM) frame work to identify, evaluate business risks and opportunities. This framework seeks to create transparency, minimize adverse impact on the business objectives and enhance the Company's competitive advantage. The Company has exposure to the following risks arising from financial instruments:

Risk	Exposure arising from	Measurement	Management
Market Risk – Foreign Exchange	Financial assets and liabilities not denominated in INR.	Foreign currency exposure review and sensitivity analysis.	The company is exploring to its unhedged positions.
Credit Risk	Cash and cash equivalents, trade receivables and financial assets.	Credit ratings, Review of aging analysis, on quarterly basis.	Strict credit control and monitoring system, diversification of counterparties, on quarterly basis.
Liquidity Risk	Trade payables and other financial liabilities.	Maturity analysis, cash flow projections.	Maintaining sufficient cash / cash equivalents and marketable security and focus on realisation of receivables.

I. Market risk

a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. In order to optimize the Company's position with regard to interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of the fixed rate and floating rate financial instruments in its total portfolio. The company does not have floating rate financial instruments as on 31st March, 2021 and as on 31st March, 2020. So the company is not exposed to Interest Rate risk.

Piramal Corporate Services Private Limited

Notes to the financial statements (continued)
for the year ended 31 March 2021

b) Foreign Currency risk

The Company has exposure to foreign currency risk on account of its payable and receivables in foreign currency. The company is following natural hedging to mitigate the foreign currency risk.

The Company's exposure to foreign currency risk which are unhedged at the end of the reporting period is as follows:

(Rs. in Lakhs)

Particulars	Currency	March 31, 2021		March 31, 2020	
		Foreign Currency	Amount	Foreign Currency	Amount
Receivables	USD	491,368	361.18	413,225	315.25
	GBP	142,789	144.15	214,603	199.74
	EUR	43,429	37.39	54,256	45.05
	CAD	79,612	46.30	92,803	49.43
	ZAR	156,516	7.51	313,522	13.20
	AUD	929	0.51	871	0.41

Sensitivity Analysis-

The Company is mainly exposed to changes in USD, GBP, EUR, CAD, ZAR & AUD. The sensitivity analysis demonstrate a reasonably possible change in USD, GBP, EUR, CAD, ZAR & AUD exchange rates, with all other variables held constant. 5% appreciation/depreciation of USD, GBP, EUR, CAD, ZAR & AUD with respect to functional currency of the company will have impact of following (decrease)/increase in Profit & vice versa.

(Rs. in Lakhs)

Particulars	31st March, 2021		31st March, 2020	
	Strengthens	Weakening	Strengthens	Weakening
Impact on profit or loss for the year				
USD Impact	18.06	(18.06)	15.76	(15.76)
GBP Impact	7.21	(7.21)	9.99	(9.99)
EUR Impact	1.87	(1.87)	2.25	(2.25)
CAD Impact	2.31	(2.31)	2.47	(2.47)
ZAR Impact	0.38	(0.38)	0.66	(0.66)
AUD Impact	0.03	(0.03)	0.02	(0.02)
Total	29.85	(29.85)	31.15	(31.15)

II. Credit risk

Credit risk is the risk that a customer or counterparty to a financial instrument will fail to perform or fail to pay amounts due causing financial loss to the Company. The potential activities where credit risks may arise include from cash and cash equivalents, security deposits or other deposits, loans and advances to employees and customer receivables. The maximum credit exposure associated with financial assets is equal to the carrying amount. Details of the credit risk specific to the Company along with relevant mitigation procedures adopted have been enumerated below:

Trade and other receivables

The Company's exposure to credit Risk is the exposure that Company has on account of services provided to various related parties. All receivables are reviewed and assessed for default on a quarterly basis.

The Company provides for allowance for impairment that represents its estimate of expected losses in respect of trade and other receivables. The Company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix.

Age of receivables

Particulars	31 March 2021	31 March 2020
Not Due	-	-
0-3 Months	1,344.15	1,836.92
3-6 Months	-	8.90
6-9 Months	-	-
9-12 Months	-	-
> 1 year	767.58	9.97
	2,111.73	1,855.78

Generally credit period is 30 Days. The above receivables which are past due but not impaired are assessed on case-to-case basis. Management is of the view that these financial assets are not impaired as there has not been any adverse change in credit quality and are envisaged as recoverable based on the historical payment behaviour and extensive analysis of customer credit risk, including underlying customers' credit ratings, if they are available. Consequently, no additional provision has been created on account of expected credit loss on the receivables. There are no other classes of financial assets that are past due but not impaired. The provision for impairment of trade receivables, movement of which has been provided below, is not significant / material. The concentration of credit risk is low due to fact that the customer base consists of related parties.

Piramal Corporate Services Private Limited

Notes to the financial statements (continued)
for the year ended 31 March 2021

Other financial assets

Other financial assets includes cash and cash equivalents, security deposits or other deposits, loans and advances to employees etc.

• Cash and cash equivalents and Bank deposits are placed with banks having good reputation and past track record with adequate credit rating.

• Loan and advances to employees are unsecured in nature. Based on historical trends, the management does not foresee any credit risk.

• The Company has given security deposits to various government authorities and other parties. Based on historical trends, the management does not foresee any credit risk.

III. Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are proposed to be settled by delivering cash or other financial asset. The Company's financial planning has ensured, as far as possible, that there is sufficient liquidity to meet the liabilities whenever due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. The Company has practiced financial diligence and syndicated adequate liquidity in all business scenarios.

Exposure to liquidity risk

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include estimated interest payments and exclude the impact of netting agreements.

(Rs. in Lakhs)				
As at 31 March 2021	Carrying amount	Total	Contractual cash flows Less than 12 months	More than 12 months
Non-derivative financial liabilities				
Borrowings	59,144.47	59,144.47	59,124.10	20.37
Trade payables	1,157.40	1,157.40	1,157.40	-
Interest payables	36.84	36.84	36.84	-
15% Non-Cumulative Preference shares	0.00	0.00	-	0.00
Total	60,338.71	60,338.71	60,318.34	20.37

As at 31 March 2020	Carrying amount	Total	Contractual maturities Less than 12 months	More than 12 months
Non-derivative financial liabilities				
Borrowings	9,439.58	9,439.58	4,341.05	5,098.52
Trade payables	281.58	281.58	281.58	-
Interest payables	42.16	42.16	42.16	-
15% Non-Cumulative Preference shares	16.06	16.06	-	16.06
Total	9,779.38	9,779.38	4,664.80	5,114.58

IV. Price risk

Exposure

The company's exposure to equity securities price risk arises from investments held by the company and classified in the balance sheet either as fair value through OCI or at fair value through profit or loss.

To manage its price risk arising from investments in equity securities, the company diversifies its portfolio. Diversification of the portfolio is done in accordance with the limits set by the company.

42 Foreign Currency Exposure :

The year end foreign currency exposures that have not been hedged by a derivative instrument or otherwise are as under.

(a) Amount Receivable in Foreign Currency on account of the following :

(Rs. in Lakhs)					
Particulars	Currency	March 31, 2021		March 31, 2020	
		Foreign Currency	Amount	Foreign Currency	Amount
Receivables	USD	491,368	361.18	413,225	315.25
	GBP	142,789	144.15	214,603	199.74
	EUR	43,429	37.39	54,256	45.05
	CAD	79,612	46.30	92,803	49.43
	ZAR	156,516	7.51	313,522	13.20
	AUD	929	0.51	871	0.41

Piramal Corporate Services Private Limited

Notes to the financial statements (continued)
for the year ended 31 March 2021

43 Capital management

The Company defines capital as total equity including issued equity share capital and all other equity reserves of the Company (which is the Company's net asset value). The primary objective of the Company's financial framework is to support the pursuit of value growth for shareholders, while ensuring a secure financial. The Company monitors capital using a ratio of 'adjusted net debt' to 'adjusted equity'. For this purpose, adjusted net debt is defined as total liabilities, comprising interest-bearing loans and borrowings and obligations under finance leases, less cash and cash equivalents. Adjusted equity comprises all components of equity. The Company's adjusted net debt to equity ratio was as follows.

Particulars	March 31, 2021	March 31, 2020
Total borrowings	59,144.47	9,455.64
Less: cash and bank balances	163.60	250.56
Adjusted net debt	58,980.87	9,205.07
Equity share capital	1,75,379.09	1,75,379.09
Other equity	8,090.56	3,063.59
Total equity	1,83,469.65	1,78,442.68
Adjusted net debt to adjusted equity ratio	0.32	0.05

44 Estimation of uncertainty relating to COVID-19 global health pandemic :

The Company has assessed, in line with 'Advisory on Impact of Coronavirus on Financial Reporting' Issued by the Institute of Chartered Accountants of India, the recoverability and carrying values of its assets comprising property, plant and equipment and investments as at the balance sheet date. Based on the assessment by the Management the net carrying values of the said assets will be recovered at the values stated. The Company evaluated the internal controls including internal controls with reference to financial statements, which have been found to be operating effectively given that there have been no dilution of such controls due to factors caused by COVID 19 situation. The Company has estimated and recognised NIL Loss on financial assets, on account of the anticipated effect of the global health pandemic.

As a result of uncertainties resulting from COVID-19, the impact of this pandemic may be different from those estimated as on the date of approval of these financial results and the Company will continue to monitor any changes to the future economic conditions.

45 Lease

The Company's leasing arrangements are in respect of office premises / warehouse. These leasing arrangements, which is mostly cancellable, range between 11 months to 3 years and are usually renewable by mutual consent at mutually agreed terms & conditions. The aggregate lease rentals of ₹ 166.75 lakhs (Previous Year ₹. 195.71 lakhs) are charged as rent and shown under the note no. 34 " Other Expenses".

Car Lease Policy:

Effective April 01, 2019, the Company has adopted Ind AS 116 "Leases", applied to all lease contracts existing on April 1, 2019 using the modified retrospective method of transition. Accordingly, comparatives for the year ended March 31, 2019 have not been retrospectively adjusted. The Company's lease asset classes primarily consist of Car Leases.

At the date of commencement of the lease, the Group recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable.

The lease liability is initially measured at amortized cost at the present value of the future lease payments.

The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of the leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet.

The following is the summary of practical expedients elected on initial application:

1. Applied a single discount rate to a portfolio of leases of similar assets in similar economic environment with a similar end date
2. Applied the exemption not to recognize right-of-use assets and liabilities for leases with less than 12 months of lease term on the date of initial application.
3. Applied the practical expedient to grandfather the assessment of which transactions are leases. Accordingly, Ind AS 116 is applied only to contracts that were previously identified as leases under Ind AS 17.

- 46 The Board of Directors of the Company at their meeting held on March 16, 2021 approved the proposed Scheme of Amalgamation ('Scheme') between Brickex Advisors Private Limited ('Transferor Company') with Piramal Corporate Services Private Limited ('Transferee Company') and their respective shareholders under section 230 to 232 of the Companies Act, 2013 with effect from 1st April 2020 ('Appointed Date'). The Company has filed the Scheme of merger with National Company Law Tribunal, Mumbai bench on March 26, 2021. Considering the final hearing of the Scheme is pending with the National Company Law Tribunal, no effect is given to the Scheme in the accounts of the Company.

47 Approval of financial statements

The financial statements were approved for issue by the board of directors on November 22, 2021.
